

National Aeronautics and Space Administration

NASA and The Ohio State University invite you to participate in a unique day of activities, discussions, and exhibitory.

## NASA Future Forum

**We invite you to the Ohio Union at The Ohio State University  
U.S. Bank Conference Theater  
February 20–21, 2012**

Join us to celebrate the 50th anniversary of The Honorable Senator John Glenn's flight of Friendship 7 and to hear about America's exciting new chapter in space exploration.

Join NASA leadership, technologists, scientists, and engineers along with local business, science, technology, and education leaders as they discuss the future role of NASA in further advancing innovation, technology, science, engineering, education and the economy that benefits your community and the nation.

The program will feature panel discussions on Innovation, Discovery, National Benefits, and Education, and will feature key speakers including:

The Honorable Senator John Glenn  
Dr. E. Gordon Gee, President, The Ohio State University  
The Honorable Charles Bolden, NASA Administrator  
The Honorable Lori Garver, NASA Deputy Administrator  
Mr. Leland Melvin, Astronaut and NASA Associate Administrator for Education  
Dr. John Grunsfeld, NASA Associate Administrator for the Science Mission Directorate

Seating is limited and registration is required to ensure a seat. The deadline to pre-register is **Friday, February 10, 2012**. On-site registration will be accommodated based on available seats and is not guaranteed. For more information and to register, please visit [http://events.signup4.com/futureforum\\_osu](http://events.signup4.com/futureforum_osu) or at <http://www.nasa.gov/oct>.
